

Mr. D's Driving Center

D.P.S. Road Test Instructions – TEEN COURSE

Students who are eligible to take a DPS approved Road Test must be at least 16 years old, have completed TEEN driver education; and have had their permit for at least 6 months.

Call 903-984-3843 to request an appointment. Please arrive at least 10 minutes prior to your appointment time. Our physical address is 507 E. Kay Street, across from the Kilgore City Park.

A fee of \$50 will be charged to conduct the driving test. This allows you up to three chances to pass for no additional fee. Payment must be made upon arrival. We prefer cash but will accept debit/credit. No checks. No refunds. (This fee is subject to change without notice.)

BRING THE FOLLOWING FOR YOUR TEST:

- Current student driving permit issued by Texas DPS (**Please check the 6 month eligibility date on the back of the permit**)
- "IMPACT" Texas Teen Driver video completion certificate (Cannot be expired)
<https://impacttexasdrivers.dps.texas.gov/>
- DE-964 or PTDE-964 completion certificate for driver education showing both classroom & behind-the-wheel completion dates (DPS Copy titled "For Driver License Only")
- Proof of insurance for the vehicle in which you will test

Once the student passes the driving test, take the sealed test results, current VOE from high school, and the 30-hour driving log to any DPS office for processing within 90 days of testing. Please schedule an appointment with the DPS. To schedule, visit www.dps.texas.gov and schedule a "change, replace, or renew Texas DL/permit" appointment. If the student doesn't pass the test, they must wait at least 24 hours before retesting.

As part of the test, students must be able to successfully demonstrate the **correct ability** to parallel park.

A parent or legal guardian must accompany the student to our office on the day of the test.

If you want to use our vehicle for the road test, there will be an additional fee of \$25 for this service. Please notify us in advance. If you bring your own vehicle, it must meet these requirements:

- Must display current proof of insurance for vehicle used for testing
- Vehicle must display a front and a rear license plate, properly attached to the vehicle
- All signals & lights, including the "high mount" brake light must work
- Horn must work, as well as windshield wipers (If weather requires)
- Inside door handles must work

If the original envelope we seal your completion documents in is opened, damaged, or lost, the test results and all forms will be void.
