Road Test Tutorial Acknowledgement

Mr. D's Driving Center offers a tutorial for students who are preparing for their DPS road test. Basic driving skills will be evaluated, as well as the ability to parallel park. Our instructors will offer comments for improvement and will allow the student to drive in the general area of the test. Occasionally we are able to schedule the student's road test with us directly following the tutorial.

The tutorial does not offer a guarantee that the student will pass the road test. It is meant to assist the student be more prepared for the road test.

The road test fee is in addition to the tutorial fee. Students will be given the option to use our car for the test at no additional charge.

When a tutorial lesson is scheduled this means that we reserve an instructor and a vehicle solely for that student. Payment must be made upon scheduling. This fee is non-refundable but is transferrable if more than 24-hour notice is given for cancellation. **If a scheduled lesson is cancelled with less than 24-hour notice or the student does not show, there will be a \$20 fee added to the tutorial rate when the student reschedules.**

Please notify us in advance if you are interested in this service, as these are scheduled as our staff is available. Tutorials are offered on a first-come, first-served basis.

I have been furnished with the school's tuition and fees as well as the cancellation and refund policy.

- This agreement constitutes the entire contract between the school and the student and no verbal assurances or promises not contained herein shall bind the school or the student.

READ ENTIRE CONTRACT BEFORE SIGNING A copy of the contract will be given to the student and a copy maintained by the school.
